

Our hygiene concept

We **ventilate** several times a day for several minutes

Wearing a **mouth-nose-protection** in public places

Please wear your mouth-nose-protection on arrival and in public places

Wash your hands regularly and thoroughly

Please wash your hands regularly. The use of soap and a duration of at least 20-30 seconds is crucial

Minimum distance of 1,50m

Maintain a minimum distance of 1,50m to any other person, even if they wear a mouth-and-nose protection

The change to the participation in the **Live Online Seminar** is possible at any time

Inform yourself about the participation in our [Live Online Seminars](#) in order to attend our dates from anywhere
